## Reflections of 2022

As 2022 comes to a close, I think back on the full year of programs and events we've had here at the Carnegie. Thanks to YOU, our faithful supporters, we offered a full calendar of displays, programs, and events!

We launched a new program for kids called **Creator's Club**! Once a month during the school year, kids of various ages are invited to join us for a fun, creative activity! We had a full house for our first session on October 29<sup>th</sup>. Children and their families enjoyed apple cider and engaged in a Halloween-themed craft following the downtown Halloween festivities.

Our next **Creator's Club** will be held **Saturday, January 7<sup>th</sup>**. For more details including the full **Creator's Club** schedule, visit our website!

## ❖ Santa Saturday ❖

Santa Claus is coming to town and will be at the Carnegie on December 3<sup>rd</sup>! There will be a special train display by model train extraordinaire, Darren Ferreter and the Chickasaw County Extension/4H will be offering a make & take craft. **FREE event - all ages welcome!**

**December 3<sup>rd</sup> | 11:30 am - 1:30 pm**

# Exhibits, Programs & More!

## RAGBRAI 2022

Thousands of bicyclists made their way through New Hampton on July 29<sup>th</sup>. We were a popular destination with our homemade pie and steel drum band. We were sold out of pie by 11:30 am!

Scheuth Ace Hardware celebrated 100 years and was featured in our History of Hardware Exhibit this summer.

O Holy Night

a Celebration of the Nativity is on display

now through Dec. 31st

Our **ART SAFARI** program was held the 2<sup>nd</sup> week of August. The kiddos learned and performed a play and did several screen-free activities including the ever-popular tie-dye! One of their favorite activities was having an old-fashioned lemonade stand! They proudly raised over \$170 for the all-inclusive playground project! *A memorial donation from the family of Kathie A. Steege helped cover the cost of materials this year!*

We had an exciting year of exhibits, receptions, and programs!

Our Year at a Glance:

**Hang a Little History, Youth Art** Featuring Turkey Valley School,  
**History of Hardware** Featuring Scheuth Hardware and their 100-year Anniversary,  
**Art Safari, Farewell to Summer Concert, Community Collectables, Creator's Club,**  
**O Holy Night, and Santa Saturday.** What will be in store for 2023? Stay tuned!

## Coming Soon

We are excited to share that we are expanding! It's no secret that we have been "bursting at the seams" for some time now. As many know, our long-term goal is to someday expand onto our existing building. Until that dream can become a reality,

### **The Carnegie Annex**

located inside the New Horizons Chamber - will soon be operational! This will be a functional space for much-needed extra storage as well as a workspace for research and meeting area.

Be on the lookout for the official announcement in the New Hampton newspaper, our website and Facebook!
