Proceeds from the Art Safari lemonade stand went to S.N.A.P.

Girls enjoying summer Art Safari

Art Safari 2023 was a blast! Children had the opportunity to learn about watercoloring from Nancy Scherer. They created beautiful owls and learned about using different colors to add dimension. The weather for our annual lemonade stand was perfect for ice cold drinks! All the proceeds from the lemonade stand this year went to S.N.A.P. Each day during the week, we practiced parts for our play and at the end of the week performed "The Boy Who Cried Wolf." We are already looking forward to making plans for next year!

# What's new?

BY CHRISTINA & ERIN

As the new Directors of the Carnegie Cultural Center, we wanted to introduce ourselves.

## Erin

I have been blessed to start working as a Director of the CCC starting in September of this year. My family and I are originally from Southern Illinois and moved here Fall 2022. We have started to get involved in the local area and are loving the small town lifestyle. I am so excited to dive deeper into the history of this area and bringing new life to the Carnegie for all who visit.

## Christina

My family and I have lived in New Hampton for the past 10 years. We moved a little east of town a couple years ago and are enjoying "country" life! Our kids love to play outside with our farm cats and chickens. I am excited to be part of this team and look forward to connecting with more people through the Carnegie.

about the past, the  
better prepared you are  
for the future."*

**Right:** New Hampton first grade class discussing fire safety at our "History of Chickasaw Fire Stations" temporary exhibit.

Our fall temporary exhibit featured the Chickasaw County Fire Stations. Alta Vista, Lawler, North Washington, Nashua, Ionia, Fredericksburg, Protivin and New Hampton all were showcased during this fun exhibit. The exhibit kicked off during fire prevention month with an open house.. School groups toured the Carnegie along with many visitors throughout the past few weeks.
